

2009-2010

Nacogdoches Naturally
Outdoor Adventures for Youth and Families

Outdoor education and recreation programs targeting underserved populations to facilitate a lifetime enjoyment of outdoor recreation activities and a lifetime commitment to land conservation ethics

Participants in Nacogdoches Naturally:

- Gain awareness and knowledge in outdoor education activities (gardening, plant id)
- Increase skill level and participation in outdoor recreation activities (fishing, geo-caching)
- Build confidence in physical abilities (archery, rock climbing)
- Develop critical thinking skills
- Understand environmentally wise use of resources
- Become good stewards of the land
- Expand knowledge of outdoor career opportunities
- Make community connections
- Contribute to outdoor service projects
- Visit natural areas in city, state, and federal parks and recreational areas

Family Program

Total number of programs: 13
Length of programs: 3-8 hours
Total number served: 520
Number of unduplicated attending: 307
Total number of families served: 81
Minority: 32%
Low Income: 33%

After School Program

Total number of programs: 37
Length of programs: 2-3 hours
Total Number Served: 503
Number of Unduplicated Attending: 67
Participants who attended regular weekly programs: 28
Minority: 85%
Low Income: 85%

Summer Camp Program (Ages 4-15)

Total number of programs: 4 Week-long day camps
Length of program: 3-6 hours per day
Total Number Served: 382
Number of Unduplicated Attending: 77
Minority: 28%
Low Income: 32%
